Description

Glandore is Ireland's leading serviced office provider and the preferred choice for both local and FDI companies establishing a presence in Ireland. Founded in 2001, Glandore is an Irish family owned and managed operation with business centre facilities in Dublin & Belfast.

We offer companies an immediate and seamless office set up within 5 star facilities, supported by an experienced and enthusiastic team to assist with your business needs.

Glandore is widely recognised for the range and flexibility of its services and facilities along with an eager "Yes We Can" approach to business. Combined, this has enabled companies to grow within Glandore from an initial start up team to 100+ persons in office space configurations tailored to meet their expansion requirements.

We have been immensely proud to partner with Ireland China Business Association as patron members and accommodate many of the world's leading and fastest growing companies along with local Irish companies at various stages of growth and development over our many years in operation.
